The student experience in Canada is meant to be enjoyed.

But if an unexpected medical emergency should happen, know that you're protected with International Students to Canada travel insurance.

Why buy International Students to Canada travel insurance?

While studying in Canada, government health care plans might not be available to you. We know that health care costs can be expensive if you're not covered under a Canadian government health insurance plan. - Would like coverage under their policy for their spouse and dependents living with them

Features and benefits
